EDUCATION

C.C.E.T CHENGALPATTU

B.E in Computer Science and
Engineering - 2024
CGPA: 8.0 / 10

R.NATESANAR G.H.S.S

HSC - 2020
PERCENTAGE: 65.50%

R.NATESANAR G.H.S.S

SSLC - 2018
PERCENTAGE: 88.60%

SKILLS

LANGUAGES

Java, JavaScript

FRAMEWORKS

Bootstrap, Tailwind css

OTHERS

MySQL, Git, HTML, CSS

SOFT SKILLS

Analytical thinking, Communication

COURSEWORK

GRADUATE

Internet Programming
Database Management Systems
Operating Systems
Object-Oriented Programming

CERTIFICATIONS

JAVA FULL STACK CERTIFICATE
Institute: JSpiders

RESPONSIVE WEB DESIGN
Provider: freeCodeCamp

LANGUAGES

Tamil, English (Intermediate)

PROJECTS

LIBRARY MANAGEMENT SYSTEM | PERSONAL PROJECT
GitHub Link

- Developed a console app to manage books in the Library.
- Achieved **95%** accuracy in managing and retrieving library records through robust implementation using Java
- Enhanced application security by implementing user authentication and authorization using Java to protect against unauthorized access.
- Tech Stack: **Java, Eclipse IDE**

HOTEL RESERVATION SYSTEM | PERSONAL PROJECT
GitHub Link

- Designed and implemented core CRUD functionalities: room reservation, retrieval, update, and deletion.
- Integrated MySQL database using JDBC and handled user inputs via an interactive console-based UI.
- Improved reservation operation accuracy and data consistency by **98%** through robust input validation and exception handling.
- Tech Stack: **Java, JDBC, MySQL, Git**

GOOGLE CLONE | MINI PROJECT
GitHub Link

- Included search and "I'm Feeling Lucky" buttons that redirect to real Google results.
- Styled the page to closely match Google's design using CSS.
- Handled user input and button clicks with JavaScript.
- Achieved **95%** design accuracy compared to the original.
- Tech Stack: **HTML, CSS, JavaScript, Git**

ACHIEVEMENTS

ACADEMICS

- Completed school in X Examination with **88.60%**.
- Maintaining Top 3 In every semester
